Fact Sheet

WAGNER Group

The WAGNER Group under the roof of Wagner International AG is one of the worldwide leading manufacturers of equipment and systems for the application of wet and powder coatings and also paints and other liquid media onto surfaces. Since the foundation of the first company in Friedrichshafen, Germany, more than 75 years ago, WAGNER has been setting standards in terms of quality and innovative technologies, offering economical, reliable and user-friendly solutions to industrial companies, contractors and home improvement enthusiasts. Wagner International AG, based in Altstätten, Switzerland, is both a manufacturer and the holding company of all companies belonging to the WAGNER Group. The group is represented by approximately 1,800 employees, 19 operating companies and around 400 international WAGNER agencies. The WAGNER Group is owned by the Josef Wagner Foundations, which pursue exclusively not for profit charitable goals.
